CONTINUING PROFESSIONAL DEVELOPMENT (CPD)

You are required to participate regularly in continuing professional development (CPD) that is relevant to your scope of practice.

Consumers of podiatric services have the right to expect that podiatrists will provide services in a competent and contemporary manner that meets best practice standards. Continuing professional development is an interactive process to maintain, enhance and extend the practitioner's knowledge, expertise and competence throughout their career. It is an important component in the continued provision of safe and effective services.

For more information, view the full registration standard online at www.podiatryboard.gov.au/Registration-Standards

CRIMINAL HISTORY

Under the National Law, spent convictions legislation does not apply to criminal history disclosure requirements. Therefore, you must disclose your complete criminal history as detailed above, irrespective of the time that has lapsed since the charge was laid or the finding of guilt was made.

The Board will decide whether a health practitioner's criminal history is relevant to the practice of the profession.

You are not required to obtain or provide your Australian criminal history report, AHPRA will obtain this check on your behalf. You may be required to obtain international criminal history reports. For more information, view the full registration standard online at www.podiatryboard.gov.au/Registration-Standards

The National Law requires you to declare any impairments at the time of application. If you have an impairment, you will need to provide details of the impairment and how it is managed.

PROFESSIONAL INDEMNITY INSURANCE (PII)

You must have PII, or some alternative form of indemnity cover that complies with the Board's registration standard, for all aspects of your practice. Initial registration and annual renewal of registration requires a declaration that you will be covered for all aspects of practice for the whole period of the registration. You may be covered by your Australian employer's PII - you will need to confirm this with your employer.

For more information, view the full registration standard online at www.podiatryboard.gov.au/Registration-Standards

REGENCY OF PRACTICE

To meet the standard you must have practised at least:

- 450 hours within the previous three years, or

If you have been absent from practice, the specific requirements for recency depend on your scope of practice, your level of experience and the length of absence from the scope.

If you propose to change your scope of practice, the Board will consider whether your peers would view the change as a normal extension or variation in a scope of practice, or a change that would require specific training and demonstration of competence.

Practitioners who are unable to meet the Board's registration standard for recency of practice may be required to complete professional development activities, submit a plan for re-entry to practice or other training or assessments.

For more information, view the full registration standard online at www.podiatryboard.gov.au/Registration-Standards
